TECHNICAL BULLETIN

Foam Concentrates – Product Name Simplification

Notification

This bulletin is to advise that SOLBERG foam concentrate product names will be simplified in support of a company initiative to emphasize the organization's innovation and leadership position in foam products.

The update in product names will be phased in over time starting October 2012 and will focus on simplifying product names to make them clear and concise as to type of foam concentrate and intended use. A couple of examples are:

Current Product Name	Simplified Product Name
FIRE-BRAKE™ 3150	FIRE-BRAKE™ Class A Foam Concentrate
ARCTIC™ Foam 603EF ATC 3x3%	ARCTIC™ 3x3% Freeze Protected ATC
ARCTIC™ Foam 203A AFFF 3%	ARCTIC™ 3% AFFF

Follow up communiqués will be sent when a change occurs. In the interim, please contact your local sales factory representative or technical services if you have questions. Thank you for your business and support of Solberg foam concentrates and suppression systems hardware.

SOLBERG is a member of PERIMETER SOLUTIONS, a global producer of leading fire retardant, gel and foam brands with a singular purpose: revolutionize the course of fire suppression technology with safer, more effective and more sustainable solutions.
